Federal work study funds are contingent upon finding employment. Earnings are paid out monthly.

The Cost of Attendance (COA) provides an estimate of the total expenses associated with attending school. It includes both direct and indirect costs.

Direct costs appear on your Central Tech invoice, such as tuition, fees, books, and supplies.

Indirect costs won't show up on your invoice. These are estimated expenses you may incur as living expenses that should be factored into your personal budget. Examples include transportation, housing, food, and personal expenses.
